

## DEVELOPER SURETY

### Developer Surety Products

---

- Taron Warranty Corporation Bonds
- Excess Condominium Deposit Insurance

### Appetite

---

At Trisura we underwrite all risks on an account by account basis by taking into consideration the unique risk characteristics of each client.

For our Developer Surety line, we are targeting experienced developers in Ontario with small to mid-sized projects that demonstrate the following characteristics:

- a proven track record of successful completion of previous condo projects;
- a strong financial position, both corporately and personally, as evidenced by profitable operations, tangible equity and nominal levels of bank indebtedness;
- a knowledgeable and competent development team who are seasoned and experienced;
- strong construction capabilities (either in-house or through the general contracting firm hired to build the project);
- an experienced development lender that is committed to the business;
- a recognized, experienced and knowledgeable project monitor;
- a capable legal firm experienced in development projects; and,
- project sizes around 180 units with an expected construction schedule of less than 18 months.

### Submission Requirements

---

At Trisura we understand that each developer has specific and unique needs. We have streamlined our applications to help you gather the information that is required in order to procure Developer bonds. The initial information required includes:

- a completed application form;
- copies of past and current corporate and personal financial statements;
- a list of all existing sales & reservations;

- the status of ownership of land;
- a copy of the bank financing commitment letter;
- a detailed budget of soft and hard costs;
- a copy of Taron Risk Assessment letter; and
- any environmental audits.

Applications are available on our website [www.trisura.com](http://www.trisura.com) in order to facilitate the application process.
