New Staff Joins the Trisura Team

We are pleased to announce that the Trisura team has grown again with the addition of three highly qualified and experienced individuals to our Toronto office: Glen Shaw, Pina Mazzoli and Teresa Galati. All will assume critical roles in the growth and future success of our organization.

Glen joins us as Vice President, Risk Solutions and will lead Trisura's national initiative into warranty programs with a focus on the automobile and residential industries and in sourcing fronting and captive opportunities for companies requiring a licensed Canadian insurer. Glen has expertise in reinsurance, surety underwriting and has previously led a similar business practice. Glen can be reached at glen.shaw@trisura.com.

Pina's role is national in scope and she will be responsible for building Trisura's commercial surety business as Manager, Commercial Surety. Pina has extensive experience in all types of commercial bonds including lost instrument, license and permit, fiduciary, fuel tax and customs and excise bonds and she will support all of our offices as we grow this core line of business. Pina can be reached at pina.mazzoli@trisura.com.

Teresa comes to Trisura as Accountant, and will be responsible for the majority of Trisura's day-to-day accounting functions. Teresa has significant experience in a similar capacity with several large specialty lines insurance companies and is a welcome addition to our team. Teresa can be reached at teresa.galati@trisura.com.

Trisura currently has offices in Toronto, Calgary and Vancouver. The addition of Glen, Pina and Teresa brings our total staff count to 19, and we are extremely proud of the team that we have assembled to serve the needs of you and your clients. Our brokers are our business partners and we would like to take this opportunity to thank you for your continuing support.

Sincerely,

Michael George
