Trisura Opens Montreal Branch; Announces Launch of Office Package Policy (CGL/Property); Records First \$1 Million Revenue Month in November

We are pleased to announce that we have officially opened our Montreal office with the hiring of Josée Levesque, Manager, Corporate Risk and Jean-François Therrien, Manager, Surety. Both are welcome additions to the Trisura team and reflect our commitment to building a successful business in Quebec.

Josée will lead our Corporate Risk practice and will be responsible for underwriting and marketing our Directors' and Officers' Liability, Professional Liability, and Fidelity products across the province. She comes to us with extensive experience gained with both national and international specialty lines insurers. Josée can be reached at josee.levesque@trisura.com.

Jean-François will be responsible for building and underwriting both our contract and commercial surety businesses throughout Quebec. He joins us after 7 years of experience in Quebec with the largest surety provider in Canada. Jean-François can be reached at jean-francois.therrien@trisura.com.

Trisura is now a national company, open for business right across Canada with offices in Montreal, Toronto, Calgary and Vancouver.

We are also pleased to announce that we have officially launched our CGL Office Package product and will be introducing the property coverage in the new year. This product will be sold in conjunction with any of our Corporate Risk offerings targeting true business office exposures.

Our progress in our first year of operation has exceeded our expectations. In November, we wrote in excess of \$1.1 million in gross written premium - a new Trisura record. This will help bring our total written in 2006 to approximately \$6 million in just over 9 months of operation.

The successful launch of Trisura is due to the support and commitment of our broker partners, and for this we would like to thank you for making our dream a reality. We will never forget the support and assistance of our friends in the brokerage community.

With best wishes on behalf of your friends at Trisura,

Michael George
