

Trisura sails into Halifax

We are excited to announce the opening of our Halifax branch.

Under the direction of Shane Roney, (Corporate Risk) and Andrew Cartwright (Surety), the new office expands Trisura's unique Canadian-focus, products, and entrepreneurial approach to the East Coast. Shane and Andy look forward to bringing the expertise they developed working for Trisura in Toronto, to further deepen relationships with our brokers and clients in the area and to grow our portfolio in Eastern Canada.

The new office expands Trisura's existing offices in Vancouver, Calgary, Toronto and Montreal to create a true coast-to-coast national presence.

Trisura is uniquely positioned to satisfy mid-market risks in Contract Surety, Commercial Surety, Directors' and Officers' Liability, Fidelity, and Professional Liability including Media Liability and we continue to examine other opportunities that can benefit from our corporate focus.

At Trisura, we value the importance of the strong relationships that we have built with our partner brokers. As a broker-focused underwriting company, we continue to invest in providing the best service in the industry and to develop truly Canadian products for Canadian risks.

Shane and Andy look forward to proving to Easterners that Trisura's "A Step Above" tagline is more than just a marketing slogan.

Best regards,
