PLATINUM | CANADA | 2018  
BEST SMALL & MEDIUM ORGANIZATIONS

Trisura Guarantee Insurance Company is proud to have been selected by Aon as one of the Best Small & Medium Employers in Canada for 2018. The complete winners' list was announced on November 9th.

The Best Employers in Canada competition runs annually, is based on expertise gained from years of experience, and data that's been collected from thousands of organizations worldwide. Only a small group are chosen as winners. Trisura has made the Best Small & Medium Employers List for a third consecutive year.

There are many elements that Aon considers when awarding a company, but most important are the results of an employee engagement survey that covers 20 different factors. Trisura retained a 100% participation rate.

The full results of the competition will be published in McLean's Magazine, currently available on newsstands and through digital subscription. The winners' lists are also available on Canadian Business' website. Click here to access the list:
