

TORONTO, April 13th, 2018 - Trisura Guarantee Insurance Company has been recognized as one of Canada's Top Small & Medium Employers by Mediacorp Canada Inc. This award recognizes exceptional workplaces across the nation in the Small and Medium Enterprise (SME) category, particularly those with forward-thinking people programs.

The 2018 winner's list was revealed today and is featured on newsstands in an exclusive magazine published by The Globe and Mail.

This year is the competition's sixth edition, seeking to highlight SMEs that perform excellently based on a multi-tiered evaluation. The evaluation is based on eight criteria, the same that's used for large companies featured in the Canada's Top 100 Employers project: (1) Physical Workplace; (2) Work Atmosphere & Social; (3) Health, Financial & Family Benefits; (4) Vacation & Time Off; (5) Employee Communications; (6) Performance Management; (7) Training & Skills Development; and (8) Community Involvement. The eligibility of a company is determined based on the definition of a SME by Statistics Canada: a private-sector company with under 500 employees worldwide.

"We are honoured to once again receive recognition as a top employer in Canada," says Cindy Grant, Vice President of Human Resources at Trisura. "Our simple underlying principles of 'team', 'sense of urgency' and 'a step above' create a truly unique culture where employees don't just come together to serve customers, they want to come together to create exceptional customer experiences."

This is Trisura's second year being recognized as one of Canada's Top Small & Medium Employers. The full winner's list was announced in a special magazine inside The Globe and Mail this morning. Full details of the selection process can be viewed on the Canada's Top 100 website at this link: <http://www.canadastop100.com/sme/>
