FINANCIAL INSTITUTION BOND - FORM NO. 14 - PRIME

FORM TFPE.001 (11/06)

The Form 14 – Prime Bond is a specially designed form for Mutual Fund Managers, Mutual Fund Dealers, Investment Counselors, Portfolio Managers, Introducing Brokers and the like. Fidelity insurance offers companies protection against losses they may incur as a result of fraudulent acts by individuals. Traditionally, fidelity (crime) insured businesses for loss caused by the dishonest acts of its employees. Although traditionally focused on the internal element of risk, coverage is often extended to include circumstances involving computer systems fraud, or other forms of fraud perpetrated by outside parties.

Trisura has specific forms that provide coverage on a per loss basis (no annual aggregate), meaning there is an automatic renewable limit of liability in the event of a full limit loss. For regulated financial institutions, Trisura offers a full suite of Financial Institution Bonds, which acknowledge and address specific regulatory requirements.
