---

In consideration of the premium charged, it is hereby understood and agreed that at the **Insured's** option, the effective date of termination of this Policy by the **Insurer**, or the expiry date, is extended, subject to the conditions and definitions set out below, when an **Emergency** is declared by a Canadian public authority designated by statute for the purpose of issuing such an order.

1. The **Emergency** must have a direct effect or impact on:
  - a. the **Parent Corporation**; or
  - b. the operations of the **Insurer** or its broker and/or agent located in the declared emergency area, and must prevent, or make it not possible, after exercising commercially reasonable efforts, for the **Insured** to effectively renew or seek alternative insurance coverage.
2.
  - a. Any time limitation described in Section X, paragraph (G) with respect to termination of this Policy by the **Insurer**, will not continue to run until the **Emergency** is terminated plus the lesser of:
    - (i) 30 days; or
    - (ii) the number of days equal to the total time the **Emergency** order was in effect.
  - b. If this Policy is due to expire during an **Emergency**, it will continue in force until the **Emergency** is terminated plus the lesser of:
    - (i) 30 days; or
    - (ii) the number of days equal to the total time the **Emergency** order was in effect.
3. In no event will the total term of this extension exceed 120 consecutive days.
4. The Limits of Insurance of this Policy will not be increased or reinstated, nor will any coverage or notice period provided by this Policy be changed, based on the extension of the effective date of termination or the expiry date of the Policy as described under this Coverage Extension. When this Policy's effective date of termination or expiry date is extended as described under this Coverage Extension, all other terms and conditions of the Policy will remain unchanged.
5. The **Insured** agrees to pay the pro rata premium earned for the additional time the Policy remains in effect as a result of the above.
6. The term **Emergency** as used in this endorsement means the first statutory declaration of an emergency:
  - a. with respect to a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by:
    - (i) the forces of nature;
    - (ii) a disease or other health risk;
    - (iii) an accident; or
    - (iv) an act whether intentional or otherwise; or
  - b. as provided for by the relevant governing legislation if different from (a) but does not include any subsequent statutory declaration(s) that may be issued relating to the same event.

All other terms and conditions remain unchanged.
