The condition of this obligation is such that if the Principal shall promptly and faithfully perform the Contract then this obligation shall be null and void; otherwise it shall remain in full force and effect.

I - Pre-Demand Conference

Prior to a Demand (as defined in Section II 3) below) under this Bond, the Obligee may notify the Surety and the Principal in writing that it is considering declaring the Principal to be in default under the Contract and request a pre-demand conference (the "Pre-Demand Conference"). Upon receipt of such request the Surety and Principal shall participate in a Pre-Demand Conference meeting or telephone conference call, on a without prejudice basis, with the Obligee which shall be arranged by the Surety and held at a mutually agreeable time and place not later than fifteen (15) calendar days after receipt of such notice, unless otherwise mutually agreed to by each of the Obligee, Surety and Principal.

It should not be construed as an alternative to any dispute resolution provisions which may appear in the Contract. Neither the participation by any party in the Pre-Demand Conference, nor any statement or position taken by any party during the Pre-Demand Conference or any follow-up Pre-Demand Conference, may be relied on by any other party as a waiver or compromise of the rights or duties of the Obligee, the Surety or the Principal under the Contract, this Bond or applicable law.

II - Conditions Precedent to Liability

The Surety shall have no liability under this Bond unless all of the following conditions precedent (the "Conditions Precedent") have been satisfied:

1. The Principal is, and is declared by the Obligee to be, in default under the Contract; and
2. The Obligee has performed the Obligee's obligations under the Contract; and
3. The Obligee has made a Demand under the Bond. In this Bond, "Demand" means a clear and unequivocal written statement by the Obligee, delivered to the Surety in accordance with Section XI below, that the Principal is in default of its obligations under the Contract and requesting that the Surety fulfill its obligations under this Bond; and
4. The Obligee has agreed to make available the Balance of the Contract Price to the Surety in accordance with the terms and conditions of the Contract. In this Bond, "Balance of the Contract Price" means the total amount payable by the Obligee to the Principal under the Contract less the amount properly paid by the Obligee to the Principal.

III - Surety's Investigation and Response

Upon receipt of a Demand from the Obligee, the Surety shall be entitled to a reasonable time within which to conduct an investigation of the Demand and determine its liability under the Bond, if any. Within five (5) business days of receipt of the Demand the Surety shall acknowledge receipt of the Demand in writing and request from the Obligee the information and documentation the Surety shall require to complete its investigation (the "Information") and access to the site where the work is being performed, if necessary. Upon receipt of the Surety's acknowledgement, the Obligee shall promptly provide the requested Information and site access to the Surety.

Upon receipt of all the Information, and completion of the site visit, if required, the Surety shall have twenty-one (21) calendar days to complete its investigation and advise the Obligee, in writing, of its position on liability pursuant to the Bond and to choose an option for discharging its obligation hereunder, if appropriate. In the event that the Surety is unable to complete its investigation and take a position on liability within such twenty-one (21) calendar days it shall write to the Obligee prior to the expiration of such twenty-one (21) calendar days and provide the Obligee with an update which sets out the status of the Surety's investigation and the Surety's estimate of when the investigation will be completed and its position delivered to the Obligee. In the event that the Surety denies that it has any liability pursuant to this Bond, the Surety shall explain its reasons therefor to the Obligee in writing.

IV - Emergency Remedial Action by the Obligee

If during the time the Surety is investigating a Demand, circumstances dictate that the Obligee must undertake emergency remedial work which is necessary to:

- a) ensure public safety; or
- b) preserve or protect the work under the Contract from deterioration or damage,

the Obligee may, acting with due diligence and upon giving written notice to the Surety, undertake such emergency remedial work provided that:

1. reasonable costs incurred by the Obligee in undertaking such emergency remedial work shall be reimbursed by the Surety in accordance with the terms and conditions of this Bond and subject to the Principal's default

and the Surety's liability being subsequently established. Any payments made by the Surety in respect of such work shall form part of its obligation under this Bond and shall reduce the Bond Amount by the amount of any such payments; and

2. any such emergency remedial work shall be limited to work which is within the scope of the Contract and which is reasonably required to mitigate the potential costs or damages of the Obligee in the circumstances; and
3. any such emergency remedial work shall be undertaken without prejudice to the rights of the Obligee, the Principal or the Surety under the Contract, this Bond or applicable law.

V - Post-Demand Conference

Following a Demand, the Surety and the Principal shall participate in a meeting or telephone conference call (the "Post Demand Conference") with the Obligee, on a without prejudice basis, which shall be arranged by the Surety and held at a mutually agreeable time and place not later than ten (10) calendar days after receipt of the Demand, unless otherwise mutually agreed to by the Obligee and the Surety.

The purpose of the Post Demand Conference shall be to determine what remedial action, if any, the Obligee believes must be taken while the Surety is conducting its investigation. If the Obligee reasonably believes that the work of the Contract must proceed for the benefit/protection of the Project overall and in mitigation of any damages the Obligee intends to seek from the Surety hereunder, while the Surety is conducting its investigation and provides reasonable evidence thereof to the Surety, the Obligee may engage an appropriate contractor(s) to continue the work of the Contract (the "Remedial Work") subject to the following conditions:

1. the Obligee shall pay the costs of the Remedial Work on terms the same as or similar to those of the Contract;
2. the Obligee shall keep separate records of all amounts related to the Remedial Work it intends to seek as damages from the Surety hereunder; and
3. the Obligee shall allow the Surety and/or its consultant(s) access to the Project during the course of the Remedial Work for the purpose of preserving evidence and monitoring the progress of the Remedial Work.

If the Surety objects to any part of the Remedial Work, including without limitation the Obligee's proposed completion contractor(s), it shall immediately advise the Obligee in writing of its objections and the reasons therefor. The Obligee may still proceed with the Remedial Work and the Surety's objections will be addressed through negotiation with the Obligee or at the trial of any action brought pursuant to this Bond.

The reasonable costs incurred by the Obligee in undertaking the Remedial Work shall be reimbursed by the Surety in accordance with the terms and conditions of this Bond subject to the Principal's default and the Surety's liability being subsequently established. Any payments made by the Surety in respect of the Remedial Work shall form part of its obligation under this Bond and shall reduce the Bond Amount by the amount of any such payments.

So long as the Obligee has attended a Post Demand Conference and otherwise complied with all of the conditions of this Bond the Obligee may proceed with the Remedial Work and the Surety shall not raise the mere fact that the Remedial Work proceeded as a defence to any claim by the Obligee hereunder.

Neither the participation in the Post-Demand Conference, nor any statement or position taken by either party during the Post-Demand Conference or any follow-up Post-Demand Conference, shall be relied on by any other party as a waiver or compromise of the rights or duties of any the Obligee, the Surety or the Principal under the Contract or this Bond.
