This Summary helps you make an informed decision when an insurance product is offered to you by a Distributor. This is not your Certificate of Insurance. The Distributor must also provide you with a fact sheet “Let’s Talk Insurance!” which is to inform you of your rights.

What is this insurance for? And what are the benefits?

Purchasing a vehicle or equipment and financing it has an important influence on your financial security. When you arrange to finance your vehicle or equipment purchased from the Distributor, you may choose to purchase optional insurance offered to you. If you choose to do so, the Insurer will pay benefits to your creditor to reduce or pay off your outstanding loan balance if you have an unexpected involuntary loss of employment, a total disability due to accident or sickness, a diagnosis of a serious illness, or if you suffered a dismemberment.

You can apply for coverage if, on the date you apply for insurance, you are:

- a resident in Canada; and
- at least 18 years of age and not yet 60 years of age; and
- able to do your usual day to day activities; and
- personally responsible for the payment of the loan or lease arranged by the Distributor.

How to choose the amount of insurance?

Premiums, other fees and applicable taxes

Protection Plan is optional; and purchasing the coverage is not a condition for you to obtain your loan.

The Protection Plan provides the following coverages underwritten by Trisura:

Serious Illness Protection

If you are diagnosed with a covered Serious Illness, the Insurer will pay a benefit amount to your creditor by reducing or paying off the outstanding balance of your loan, so that you can focus on your recovery.

Covered Conditions: Cancer, Coronary Artery Bypass Surgery, Heart Attack, Stroke, Coma, and Major Burns.

Accident and Sickness Protection

When you are totally disabled due to a covered accident or sickness, your loan payments don't stop. The Protection Plan will pay the Monthly Amount Insured to your creditor. Benefits begin following the end of the 30-day waiting period.

Involuntary Loss of Employment Protection

If you lose your job involuntarily, the Insurer will pay the Monthly Amount Insured to your creditor. Benefits begin following the end of the 30-day waiting period.

Dismemberment Benefit

If you suffered a covered Loss, the Insurer will pay a benefit amount to your creditor by reducing or paying off the outstanding balance of your loan.

Loss means: Loss of both hands or both feet, loss of sight in both eyes, loss of use of both hands or both feet, or loss of one hand and one foot.

You select the coverage options based on your needs and financial means; below are the options:

	Protection Options	
	Gold Basic	Gold Enhanced
Serious Illness Protection - While insured, pay your Loan balance up to	\$1,800	\$1,800
Accident and Sickness Protection (30-Day Waiting Period) - While insured, pay your monthly payment up to	\$300, up to 3 months per Disability and up to \$1,800 aggregate	\$300, up to 6 months per Disability and up to \$3,600 aggregate
Involuntary Loss of Employment Protection (30-Day Waiting Period) - While insured, pay your monthly payment up to	\$300, up to 3 months per job loss and up to \$1,800 aggregate	\$300, up to 3 months per job loss and up to \$1,800 aggregate
Dismemberment Benefit - While insured, pay your Loan balance up to	\$3,000	\$3,000

Your Term of Insurance equals to your Loan term or 84 months, whichever is less.

The Amount Insured is your Loan amount.

Premium amount is calculated based on the protection option selected. Age, gender, health and occupation do not affect your insurance premium. The premium is fixed and will not change over time. Applicable provincial sales tax on insurance premiums will be added to the cost of your insurance.

What is a “Pre-existing Condition”?

A Pre-existing Condition is a health condition that you have before your insurance coverage begins. If you have a medical condition(s) and you received Treatment or Advice during the 6-month period before your insurance begins, any Total Disability or Dismemberment related to this condition that arises after you purchase the Policy will not be covered.

However, if you are free of Treatment or Advice for such medical condition(s) for any period of 6 consecutive months after your coverage begins, such medical condition(s) will no longer be considered a Pre-existing Condition; and will be covered under the Policy.

What is a “Pre-existing Covered Condition”?

A Pre-existing Covered Condition is an exclusion; any Covered Condition that causes a Serious Illness if you received Treatment or Advice before your insurance begins would not be covered.

Cancellation of Insurance

If you change your mind, there is a Satisfaction Review Period - If you find the insurance to be unsatisfactory, you may cancel all coverages insured by the Protection Plan within 30 days of purchase; any premium you have paid will be refunded. To do this, you must contact customer service, toll free at 1 866 487-0494 to obtain a cancellation request form.

After the Satisfaction Review Period - You may cancel all coverages insured by the Protection Plan at any time by calling customer service to obtain a cancellation request form. The Insurer will issue a refund if (a) no benefit has been paid under the Certificate and (b) the refund amount is greater than \$5. If you provide proof that the loan was paid, the Insurer will issue the premium refund to you, otherwise, the Insurer will issue the refund to the creditor to credit to your account.

Refund amount is calculated using the following formula:

$$\left(\left[\frac{R \times (R+1)}{T \times (T+1)} \right] \times \text{Premium} \times 80\% \right) \text{ less cancellation fee } \$125.00 \text{ per Certificate}$$

Where R = number of remaining months left on the insurance coverage and
T = Term of Insurance in full months

Example:

Term of Insurance is 60 months	T = 60
You decided to cancel the coverage after 10 months	R = 50
Protection Plan Premium (all coverages)	\$1,000
$\left(\left[\frac{50 \times (50+1)}{60 \times (60+1)} \right] \times \$1,000 \times 80\% \right) \text{ less } \$125 \text{ cancellation fee} = \432.38	

Please note that there will be two certificates issued for all the coverages insured by the Protection Plan, should a refund is payable, only one consolidated refund payment for all coverages will be issued.

If the Insurer declined your application to enroll or the Insurer determined that you were not eligible for coverage when you purchase the coverage, the Insurer will refund the full amount of premium as if your insurance has never been in force. If the cost of the insurance is added to the financing amount and if you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used to shorten the financing period.
